

These We Remember

2023 • 5784

יזכור

The *Yizkor* service, instituted in the Middle Ages, allows us to pay homage to those who came before us, to remember their lives and how they influenced us.

To recall our departed loved ones is an act of solemn piety and an expression of profound respect.

Based on the belief that the merit of the living reflects the value of the dead, we pray for our atonement as well as for family members who have passed on.
