

High Holy Days 5786 (2025) Schedule

A note about spaces at TBZ during the High Holy Days: This year, most of **the third floor** will be overflow spaces connected to the main Sanctuary services. Unlike past years, **Rooms Bet, Gimel, and Dalet** will not be hang-out areas, but active prayer spaces. **Room Alef** will host *Nishmat Hayyim* practices and serve as a quiet room. On the ground floor, a nursing space will be available **adjacent to the Community Room**. The **Community Room** and **Meeting Room** will be used for childcare, Camp Shana Tova, and Family Services. Thank you for helping us keep each space meaningful and respectful.
